## About me

I am a creative and hardworking professional with a passion for design. This is demonstrated from my higher and further education in product design and through my online portfolio of projects and achievements in the design field. Whilst currently enjoying my work as Display Co-coordinator at Tesco, I am now focused and dedicated to developing my career in a creative design role where my ability, passion and flair can flourish.

## Employment /experience

### Tesco: Display coordinator (07/2015- )

- **Managing** SRD critical path end to end
- Working **collaboratively** with internal and external stakeholders (commercial, category, suppliers and Tesco Bangalore)
- Creating plans and supporting range change for all 1784 UK and ROI express stores
- Super user; **supporting** the wider team with any technical issue or problem with system
- Assisting **projects and Trials**
- Visiting stores and competitors to **review merchandising**
- Writing store guides and communications for every range change

### Eurocarparts Sales assistance (09/2013 -07/2015)
